HIGH SCHOOL STANDARD ISSUE ELECTION TODAY

By Vivian Faulkner

Voters of Campbell High School District go to the polls today to decide either to grant a 25c school tax necessary to maintain present high educational standards by voting "Yes", or force the high school to lower these standards for lack of income with a "No" vote

The 25c per $100 tax increase is based on the assessed valuation of property and not the actual selling value. Most homes in the Campbell areas have a tax value of $3,000 or under. The 25c raise would increase their taxes not more than $7.50 per year, and for many, probably less.

The Santa Clara County Taxpayers League has thoroughly investigated this request and is urging its members to vote Yes, according to Lawrance Hill, district Superintendent.

The Campbell High School District has never before asked for an increase of its 75c tax for operating expenses, but now, the tremendous wave of "war babies" that caused grammar schools in the district to expand has reached high school and brought with it an increase in cost of high school education. A budget originally set up for 700 students must now serve 2,000," Hill said.

The increased number of students has made it necessary to build another high school to house them, and revise the budget to take care of educational supplies and needs.

If the increase is granted, the Campbell tax rate will still be below that of other districts with schools of comparable size and the schools will be able to maintain the national top rating based on scholastic achievements they have been given by the University of California. The University annually rates every high school in the nation and has consistently placed Campbell at the top of the list.

Without additional funds athletic activities will have to be curtailed; bus transportation will be greatly limited because the Highway Patrol has condemned two school buses that must be replaced; buildings could not receive necessary care; and, most important of all, student education would suffer from lack of supplies and needs.

Today high school teachers are at every school poll ready to answer the call of any voter needing transportation. Also standing by are baby sitters for those who need their service. Anyone needing either or both has merely to phone the school for these prompt services.

There are 18,143 qualified voters in the Campbell Union High school district today, according to the County Registrar.

Twelve polls have been set up. They will be open from 7 a. m. to 7 p. m. at the following schools:

Campbell High, Burbank, Cypress, Moorpark, Hamilton, Moreland, El Quito Park, San Tomas, Parker, Cambrian, Union and Quito.

DATES SET FOR 1956 SETTLER DAY FETE HERE

At a special meeting Tuesday evening of the Campbell Chamber of Commerce directorate, the dates for the 64th Annual Old Settler Days celebration were tentatively set for May 11, 12 and 13, 1956. Directors also voted to have a booth at the Santa Clara County Fair, September 12-18.

Douglas Beatty one of the owners of Western Gravel Company in Campbell, accepted appointment as chairman of the industrial committee. Further committee appointments are expected to be made at forthcoming meetings, according to Del Lucot, vice-president who presided.

It was voted to send letters of appreciation to organizations participating in the 1955 Old Settler Days.

1956 KIWANIS CONVENTIONS AT S.F SANTA CRUZ

Bill Henley, deputy district governor of Kiwanis International reported Tuesday here on the International convention at Cleveland which he attended saying the 1956 convention is to be at San Francisco and the District convention for California, Nevada and Hawaii in 1956 is to be at Santa Cruz. He said that half the number of clubs in this division are less than two years old.

Sam Reed, principal of Campbell Union High School was introduced as a new member of Campbell Kiwanis Club. Visiting Kiwanians included Henri Baer of Sunnyvale, Bill Welsh of Miami Springs, Florida, V. J. Yeskitt of Quito-Saratoga and J. M. Hamilton of San Lorenzo.

Study Cambrian Area Drainage District Plans

A joint assessment district in the Branham Lane area bounded by Ross Creek, San Jose-Los Gatos road and Los Gats-Almaden Road, embracing about 630 acres is under consideration of County engineer Leonard Bushnell and Don Currlin, counsel for the proposed flood control district.

Tentative plans call for conduits emptying into Ross Creek.

A later project may involve a similar district in the Union avenue-Cambrian Park area.

Drainage problems make any extensive work on Union avenue impractical. Such a project may clear the way for eventual improvement of the busy avenue, Bushnell indicated.

Telephone Tax Payments Go Up In Campbell

Telephones are for talking—and that's what Campbell is doing, according to the telephone company.

Their records show 23,677 telephone calls placed here on an average business day. That's more than six times the daily calls in 1945.

Pacific Telephone says part of the reason for this stepped-up calling rate is the town's telephone growth. Ten years ago there were 905 telephones. Today's 7,080 telephones are almost eight times that amount.

The telephone company has steadily expanded and improved its facilities in Campbell to take care of this growth.

For instance, during the past year, it spent more than $133,000 on its telephone system here.

The total telephone plant investment for Campbell is now $1,628,852—ten times what it was in 1945.

Tax payments made by Pacific Telephone on all property assessed to it within the city's limits amounted to $21,579 during the fiscal year. Last year the sum was $13,714.

Grange Planning Benefit Picnic

Announcement of a benefit barbecue picnic to be held August 21, at Cedar Brook Park, San Jose, was made Tuesday evening, July 12, at the regular session of the Orchard City Grange conducted by the master, Herbert Shadle. The picnic is being sponsored by the Santa Clara County Granges and a large attendance of members and friends is desired as the benefit is for the new Mt. Hamilton Grange Hall. There will be dancing, games and refreshments.

John C. Gordon, county deputy, gave the obligation of membership to Fred Brown; Edward Thomas, master of Mt. Hamilton Grange was recognized, as were visitors from Gilroy and Mt. View Granges.

Reports were heard from special and standing committees. Lucille Hoerler, chaplain, told of the visit to the Campbell Congregational Church on Sunday, July 10th, and Lester Strickler read the new by-laws that are to be voted on at the next meeting on Tuesday, July 26th. Mervyn Keesling, chairman of the building committee, reported progress and spoke about the formation of a Degree team.

Josephine Biller, lecturer, presented a program of music and song. David and Virginia Rutherford sang a duet; Paul Cooper played two piano numbers; and John Sinclair, assistant pastor of the First Christian Church, of Los Gatos, sang a solo.

A plea for new members for the Santa Clara County Grangers Credit Union was made by the master, Herbert Shadle, who said this savings and loan organization of the Grange merits attention of the members.

At the next meeting on July 26, Grangers will consider the by-laws and then adjourn for a social meeting of dancing and cards.

The county Pomona Home Economics Club will meet with Orchard City Grange on Tuesday afternoon, July 26th, in I. O. O. F. Hall, Campbell for a potluck luncheon at 12:30 p. m.

"MISS GERMANY". . . . Margit Nuenke, 24, of Cologne, chosen prettiest girl in Germany, will represent her country at "Miss Universe" contest at Long Beach, Calif.

Over Campbell Protest

San Jose Annexes Market Site

City of San Jose on Monday proceeded to annex the tract embracing Dick's Super Market at Pamlar and San Jose-Los Gatos Road and extending west of San Jose-Los Gatos Road and south of Payne avenue, in spite of a written protest by the city of Campbell that it was violative of an agreement entered last January at an informal meeting of the two councils proposing spheres of influence. Councilman Louis Solari is quoted as having said Mayor Richard Morton of Campbell was in error that any such agreement had been reached.

Mayor Morton yesterday said that at the meeaing in January, San Jose officials themselves proposed that Payne avenue to the north and the San Jose-Los Gatos Road to the east be the limits over which neither was to cross, although we of Campbell had asked that Williams Road to the north be the line.

"There may have been some misundertanding on the part of some San Jose officials, but we of Campbell clearly heard their proposal, and the action Monday appears clearly violative of it" Mayor Morton said.

American Legion's Delegate To Boy's State To Speak

Robert Roller, who was sponsored for Boys State by the West Valley American Legion Post 185 and Auxiliary, will report back at Friday night's meeting and tell of his experiences. All members of the post and auxiliary are asked to attend.

The meeting will be held at 8 p. m. in the First National Bank Building of Los Gatos. The entrance is in the rear to the banquet room upstairs.

Speakers scheduled to appear in the next few months are Dick Stern, August 12; "Dutch" A. P. Hamann whose topic will be "Germany" and "Operation City Hall" on September 9th; and Dr. Shaw on October 7.

Film Of Vehicle Shown At Rotary

Food Machiner's "Trojan horse" was the topic discussed by one of the company's engineers at the regular Monday luncheon of the Rotary Club. Members were shown films of the armoured personnel-carrier which Food Machinery developed after years of work and research. Another film was on the Pele Leiu invasion with pictures of the actual combat taken from the carrier.

Cel Gerevas presided over the meeting and Ed Tonini was chairman of the day.

Tentative Tax Rate 79¢ Is Set

* * * * * *

CITY TO ANNEX SITE FOR STORM SEWER OUTFALL

A resolution proposing a storm sewer policy was submitted the city council Monday evening by City Attorney Mark Thomas in which each subdivider would be called on to pay the city $160 per lot or $725 per acre, which ever is the greater to apply to costs of all storm sewers actually installed by the subdivider. The amount to be deducted for actual storm sewer construction would be limited on a unit price on a scheduled basis which would be subject to increase on request of subdivider or city engineer on council approval.

Council introduced a resolution to annex land in vicinity of David Avenue from Harrison avenue to Los Gatos Creek, setting hearing date as August 29, citing that the city proposes to construct trunk sewer lines within the area, over a natural outfall.

An application by Howard L. Kelly to move a house from Stevens Creek Road to Hacienda and Sunnyoaks was referred to City Attorney Joseph Bonacina, Mayor Morton and Street Supt. LeRoy Black. Bonacina said that a picture of the house, a description and a $25 fee would probably be needed to comply with the ordinance, and Black said the house would have to be jacked up to get over a bridge as it is wider than the bridge.

A letter from Vladimir Flabris for appointment as city auditor was filed with other applications.

A petition with 28 signatures seeks city aid in spraying elm and walnut trees on 2nd street curbings that drip sticky stuff was referred to Black to determine cost and specialist to do the job, the council to consider it as matter of policy. Councilman James Arends said maple and poplar trees also drip. Mrs. Edna Smith and Warren McKenzie said a few people had paid for past sprays but the condition was too general now to carry on.

Council authorized Police Chief Robert Locke to buy another patrol car at $1,623.54 as quoted from San Jose Ford Sales, on trade-in allowance for 1953 Oldsmobile, the net cost is $722.

Council set August 15 for hearing El Rio Development application on zoning 7 acres commercial, 48 acres residential, northwest corner Campbell avenue and San Tomas Aquina Road, also on same date application of Stroppa to zone Hunt Cannery engine room on Harrison avenue same as cannery so he can set up tile works there.

Earl Perry, 744 Robway asked council to put up street lights, clean street and remove dead trees, and was informed petition was not filed for the lights.

A mutual aid agreement between Los Gatos and Campbell fire departments is being drafted for city approval, Fire Chief Scott reported. He said department is buying nine turnout coats for firemen.

Horace Heidt Agent To Audition Talent For Show

Horace Heidt and his "Search For Talent" show will be at the Civic Auditorium in San Jose Tuesday, August 9th, and audition promising talent in the area.

Knights of the Round Table is sponsoring the show and one of its member, Ebb Bohn, director of the "Stars in the Future" radio program, will screen talent.

Anyone interested in a tryout can contact Bohn or Mrs. Bohn Friday nights from 8 to 10 p. m. during his radio program at the Frances Baion Auditorium at the Rosicrucian building located on the corner of Park and Naglee in San Jose. Auditions will be given and advance agents from the Heidt show will catch the acts and help determine the contestants.

Attorney and Mrs. John Matthews have returned to their Quito Park home after a trip to southern California.

MAYOR MORTON'S

1955 BUDGET MESSAGE

The City Council of the City of Campbell presents herewith the budget of expenditures for our community for the 1955-56 fiscal year. It is a budget which the administration feels is the first evidence of a fully mature city and it indicates that our city has now occupied its proper position in relation to the other growing communities of our thriving county and state.

The total expenditures hereby budgeted for are the sum of $266,-819.46. These are the fixed expenditures and do not refer to the expenditures which may be made in the event that certain bond proposals to be made to the citizens are accepted and adopted by the people at the necessary election. The expenditures so definitely to be made, compare with the budgeted expenditures of $171,843.41 for our 1854-55 fiscal year. This is, in turn, an increase of $94,976.05. The great bulk of this increase represents necessary capital expenditures with emphasis upon our growing requirement for various public works, but it also represents sound increase for the operation and maintenance of our several departments.

Of the amount to be spent for the fixed budget, 212,014.53 represents revenue which will come from sources other than our general property tax. In other words, approximately 80% of our revenue would not be otherwise available for expenditure on behalf of the people of Campbell if it were not for the fact that we were incorporated as a City.

The amount of money to be raised by the property tax is $54,-804.93. This is an increase of only slightly more than $6,000.00 over the amount raised by the general property tax for our last fiscal year. The administration believes that much of this increase will be assumed by taxes levied upon the basis of newly created assessed valuations.

The council has estimated the assessed valuation for the City of Campbell for the coming fiscal year to be $6,951,340.00. On the basis of this estimated or assumed assessed valuation, the City of Campbell general property tax rate will be less than 79c. This can only be an estimated rate at this time because the rate will depend, in fact, upon the assessed valuation as it is actually determined within a few weeks by the County Tax Assessor.

If the tax rate ultimately adopted is 79c per $100.00 assessed valuation that will be an increase of only 7c over that in effect for our last year. To the average taxpayer who owns a $12,000.00 home, which might be reasonably assessed at $4,000.00, this will mean an increase of only $2.80 for the year, or less than 1c a day. Suck a tax rate would be from ½ to ⅔ of those in effect in all municipalities in our county other than possibly two other cities which operate upon a completely minimum basis.

The people of Campbell are entitled to know how and in what manner your elected representatives intend to spend this money. It is the purpose of this message to give this information to you.

This budget continues the practice of last year in establishing adequate reserves. The reserves of last year are duplicated in this year's budget. This means that at the end of the 1955-56 fiscal year, the City of Campbell will have on deposit, as cash reserves, approximately $60,000.00. This in turn, will permit us, from time to time, to provide for the people the important public works that every citizen should have at his disposal in a well-organized community, and it will permit us to provide proper equipment and services of the best order.

The city has also maintained its policy in the 1955-1956 budget, of recognizing value of the services of its various employees by establishing adequate pay scales and salaries and giving increases in pay where the same are warranted. In this connection, the council wishes to state that it feels deeply indebted to the municipal employees for the loyalty and the faithfulness to duty and to the best interests of the city that they have exhibited throughout the past year.

Through the Legislative Department, the City of Campbell will continue its policy of making available to the Campbell Chamber of Commerce funds for the purpose of industrial advertising. The administration recognizes the responsibility of the general taxpayers to better his community in this manner, with the hope ultimately that the Chamber of Commerce will be able to bring to our city other tax-paying organizations which will ultimately decrease the load upon the individual resident taxpayer. This contribution will be under the same strict control as was employed by the council during the past fiscal year.

In the Police Department, an additional patrolman has been added to the force. Likewise, this budget contemplates the acquisition of an additional patrol car, fully equipped to replace our present older car. This will mean that our Police Department will have at its disposal two new patrol cars as well as a patrol motorcycle, all with the finest and most efficient equipment. **In addition, within the department, the new position of sergeant has been created and will be filled, we hope, from the ranks of our present department personnel.**

The Fire Department will be maintained at its present strength. A payment upon our new Pumper Truck will be made. The most significant development within this deparment will be the addition of a number of fire hydrants throughout our city and the replacement of the older, antiquated facilities. **It is hoped that within the year the Fire Department will be so increased in its efficiency that your administration can apply for a better classification for fire insurance purposes.**

It is completely in order at this time for the council to also point out to the citizens of Campbell the great debt that it owes to both the auxiliary police force and the volunteer fire department. Without the services rendered by these civic minded men, it would be impossible to provide the present high level of police and fire services without a tremendous increase in the tax rate. The council recognizes this debt and has, consequently, again provided for a substantial contribution to both the auxiliary police department and the volunteer fire department.

The Public Works Department has received special attention in this budget and will probably benefit most of any of the individual departments. One full time man and a part time man will be added to the personnel and a road maintenance program has already been commenced as witnessed by the new surface that has been put on Winchester Road. Additional equipment has already been obtained and more is contemplated during the fiscal year. In addition, in co-operation with the State Division of Highways, a traffic light will be installed at the intersection of Campbell Avenue and the San Jose-Los Gatos Road. This will involve an expenditure of $5,100.00

The greatest single project that will be accomplished by the City

(Continued on Page Two)

* * * * * *

PROPERTY VALUE INCREASES MAY CUT TAX RATE

A 79c tax rate for the 1955-56 fiscal year was proposed Monday evening by the City Council in approving a $361,819.46 budget the rate having been based on an estimated $6,951,341 of assessed valuation. When the valuation is actually determined by the County Tax Assessor, the rate will be fixed. Last year the actual valuation was fixed at $931,340 higher than estimated resulting in the tentative tax rate being cut 3c. The figure on which the new rate is based was the actual rate for the 1954-55 fiscal year so it is likely under new valuation the tentative rate will be reduced.

Revenue accounts listed in the budget anticipates $9500 from business licenses, $8,500 from building inspection fees, $1,020 from land use permits, $6,688 from sewer use charges, $9,500 from fines and forfeitures, $67,896 from gas tax, $2,100 alcohol tax, $2,100 in lieu funds, $36,100 Chapter 20 funds, $9,325 Chapter 47 funds, and $1,500 from fire hydrant rentals.

The general property tax revenue would yield $54,804.93, and if a bond issue is approved by the electorate in October, $95,000 would be available in the contingency fund for purchase of a civic center site and a corporation yard site.

The city department expenditures include $20,365.10 for legislative, $6,277.50 for legal, $3,770 for planning, $44,450 for engineering, $31,152 for police, $27,087.77 for fire, $4,100 for building inspection, $6,329.31 for general government and $87,527.60 for public works of which latter sum $51,-941.70 would be derived from state gas fund, in lieu fund and from fines; from the budgeted amount, $9000 would go for Hamilton avenue engineering and $32,200 for Hamilton avenue rights of way.

VINCE VALLELUNGA BUYS MADERIS FOOD CENTER

William Maderis, for many years owner and operator of Maderis Food Center at 10 E. Campbell Avenue is selling the store to Vincent A. Vallelunga and La-Verne Vallelunga, it was announced today, the sale to be consummated August 1. Vallelunga operates the meat department at the Center now.

Star Circle To Hold Card Party

Star Circle, Order of Eastern Star, will hold a dessert card party at the home of the president, Mrs. Glen I. Kellog, 557 Robin Lane, on Friday, July 29, at 1:30 p. m.

For reservations phone FR 8-6900 or FR 8-7889.

Los Gatos Grange Feasts On Pie

A crowd of one hundred and fifty members turned out Monday evening for the pie social and regular meeting of the Los Gatos Grange which was held in the recreation room of the First National Bank Building in Los Gatos. Judge A. J. Emery, master of the Grange, presided over the business session.

Visiting Masters introduced were: Frank Carey of Pomona; Ed Thomas of Mt. Hamilton; Frank Machado, Berryesse, Frank Swain, Cupertino; Al Olsen, Soquel.

Other visiting Grangers came from Mt. Hamilton, Berryessa, Sunnyvale, Mt. View, Morgan Hill, Cupertino, Orchard City, Soquel and McKassin Grange, New Hampshire.

Mrs. Nellie Skillman recited a poem and Al Reder gave an interesting talk on the Grange Credit Union.

Refreshments were served by brother and sister Jesse Evansiger and their committee.

EDITORIAL

HITLER'S RISE TO POWER

Back in 1930, the National Socialist Party with Adolph Hitler at the head, came into power in Germany because of the meagre vote of the people. Just about 15 percent of the qualified vote was all that was needed to start Hitler on the way to power.

Some say this couldn't happen in America. It hasn't yet. Many important matters though, are decided by a minority vote of the people. Think of this, if you will:

At the Franklin McKinley Elementary school election last week, only 18 percent of the voters went to the polls to decide on the kind of educational program the school board deemed needed and it lost because the people were not interested enough to vote. The vote defeating the need for school funds was by about ten percent of the voters. That is a meagre number when the future of youth is at stake.

Youth is taught to become a good citizen, to vote as you please, but please vote. Yet national elections bring but three out of every four qualified voters to the polls.

Today Campbell faces an election which challenges the standard for which we feel such justifiable pride. The high scholastic averages attained here are recognized at leading universities. Honor students went on to Stanford and the University of California and continued to be honor students. Only twenty percent of an average graduating class from high school over the nation go on to college, while at Campbell the average has been fifty-five percent in the last two years.

Today's election is to maintain present standards. It is something to be proud of. It is up to you to vote for the standard of your choice. Let's not allow a minority vote to curtail facilities.

WITH HATS IN THEIR HANDS

San Jose officials have meekly appealed to Sanitation District 4 for some way to service their new subdivisions by tying into District 4 lines, if only on a temporary basis.

Final solution of the area's future disposal problems depend on proposed construction of the Westside outfall, which is a major trunkline to treatment plants on the bay near Alviso. San Jose officials at a meeting here Thursday night referred to two annexations already made and to hearings this week for three more annexes between Saratoga Avenue and Doyle Road, south from Stevens Creek Road, which lands the San Jose officials want also annexed to Sanitation District 4.

A contract agreement would be all right with the boys from the Hamann hamlet, but they said if the hookup is denied, then a trunk line of their own would have to be built and that would cost a lot of money.

Some sort of plan will be presented next Wednesday, either to flex boundary lines or to hook onto what seemingly will be overloaded trunk line facilities.

HOW HIGH IS UP?

Man once looked at the night sky and decided it was a leaky roof, just a little too far off the ground to patch up to keep out the light. In more ways than one he has been raising the roof since those dawn-days of speculation about the nature of the world and the universe. Today the sky's no longer the limit. The problem is, what's the limit of the sky?

Astronomers are constantly finding new evidence of vast, unthinkable stretches of space, sparsely filled with equally unthinkable universes that dwarf ours. Even within the finite limits of our own microscopic planetary atmosphere, man is ever extending his vision, exploring vaster and vaster areas of the great nothingness.

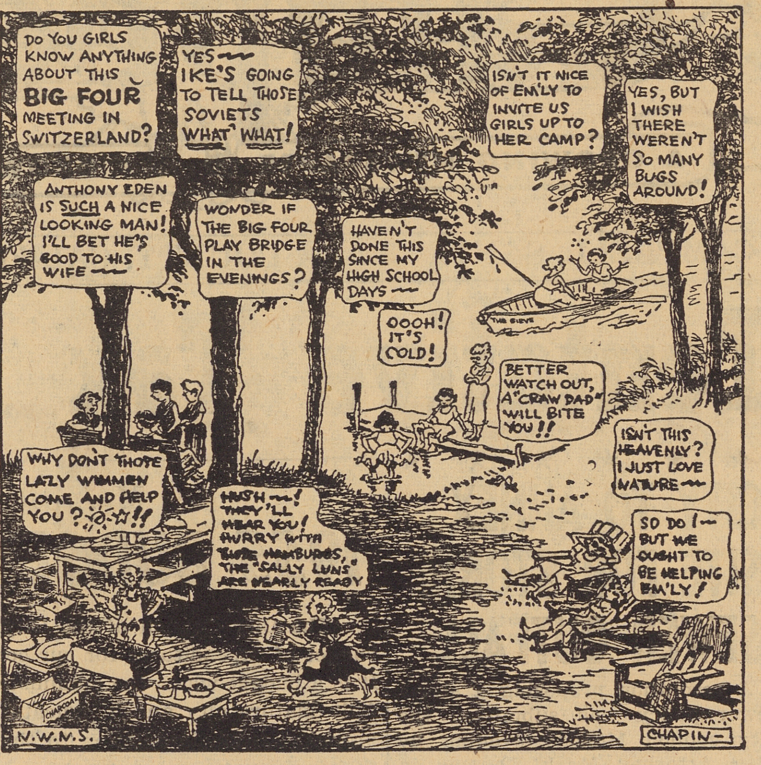
At Moffett Field, fifteen miles north of Campbell, the Nation's top aviation executives the other day were treated to sights that surprised even them--models of airliners that take off straight up, of missiles that will soar through outer space at 15,000 miles an hour, of electronic computers that can tote up astronomical and aerodynamic data at the rate of 200 figures a second.

COMMON SENSE SWIMMING

Here are a few Red Cross tips about swimming from Dr. Hildegard Spreen, chairman of the San Jose Water Safety Committee:

1. Never swim alone. Make sure someone is nearby who can help.
2. Swim at a safe place, preferably one with lifeguards.
3. Don't swim right after eating or when overheated or overtired.
4. Before diving, make sure water is deep enough and has no hidden objects.
5. Distance over water is misleading — Don't overestimate your endurance.
6. Take a boat along for distance swimming in the open water.
7. Learn safe handling and safe rescue before taking out boats.
8. Most small craft will float when upset. Stay with your boat or canoe.
9. In case of a drowning, start artificial respiration on the victim immediately.
10. Most important of all learn to swim or improve your swimming ability.

THE BRIDGE CLUB ENJOYS A "COOK OUT"



DO YOU GIRLS KNOW ANYTHING ABOUT THIS BIG FOUR MEETING IN SWITZERLAND?
YES— IKE'S GOING TO TELL THOSE SOVIETS WHAT' WHAT!
ISN'T IT NICE OF EM'LY TO INVITE US GIRLS UP TO HER CAMP?
YES, BUT I WISH THERE WEREN'T SO MANY BUGS AROUND!
ANTHONY EDEN IS SUCH A NICE LOOKING MAN! I'LL BET HE'S GOOD TO HIS WIFE—
WONDER IF THE BIG FOUR PLAY BRIDGE IN THE EVENINGS?
HAVEN'T DONE THIS SINCE MY HIGH SCHOOL DAYS—
OOOH! IT'S COLD!
BETTER WATCH OUT, A "CRAW DAD" WILL BITE YOU!!
ISN'T THIS HEAVENLY? I JUST LOVE NATURE—
WHY DON'T THOSE LAZY WIMMEN COME AND HELP YOU?!!
HUSH—! THEY'LL HEAR YOU! HURRY WITH THOSE HAMBURGS, THE "SALLY LUNS" ARE NEARLY READY
SO DO I— BUT WE OUGHT TO BE HELPING EM'LY!

N.W.N.S.
CHAPIN

BUDGET MESSAGE

(Continued from Page 1)

of Campbell during the coming fiscal year will be within the jurisdiction of the Public Works Department. **This will be the improvement of Hamilton Avenue between Winchester Road and Central Avenue. Hamilton Avenue will be widened to four traffic lanes and a new surface constructed over the entire width.** There will also be installed in Hamilton Avenue a storm sewer system which will in the future service the area bounded on the South by Campbell Avenue, on the West by Winchester Rd., on the North by David Avenue and on the East by the Southern Pacific Railroad Track. The total cost of this project is estimated to be approximately **$99,000.00.**

It is also the intention of your council to establish a Building Inspection Department to be located in the City of Campbell during this fiscal year. It is felt that the establishment of such an office will be for the benefit of the citizens of Campbell and will provide local service to fill a local need. It is hoped also that revenue to be obtained from our own Building Inspection Department will more than offset the cost of the operation thereof.

Your council has, from time to time, been asked concerning the charges for sewer facilities within our city. The present budget indicates total expenditures for sanitary sewers in the amount of $5,579.31. These will be expenditures made to Sanitation District No. 4 to operate, repair, and maintain our sewer system. To offset this amount, it is estimated that the charge for sewer rental to individual users will provide revenue of approximately $6,600.00. The excess, of course, is necessary to establish adequate reserves for deferred maintenance and extensions within the system which might ultimately be required.

This budget for fixed expenditures is one which we on the City Council feel maintains the pledge that was made to the people of Campbell, that we provide to you municipal services on a sound, economic bases. We feel that we have kept this pledge in presenting to you this budget.

Wholly apart from the budget for fixed expenditures, this budget also indicates contingent estimated expenditures in the amount of $95,000.00. The proposed expenditures will be financed by general obligation bonds to be voted upon by the people of Campbell in the very near future.

For some time, all departments of the City have been operating from one building, the present fire house. This building is totally inadequate for all of these purposes. The proposals, therefore, to be made to the taxpayers of the City will be to acquire other accommodations for the departments of the city other than the fire department. It is hoped that we will be able to acquire the present Campbell Congregational Church Building and to make necessary remodeling changes therein so as to provide adequate facilities for the Legislative Department, the Planning Department, The Ciy Council, the Police Department and the new Building Inspection Department.

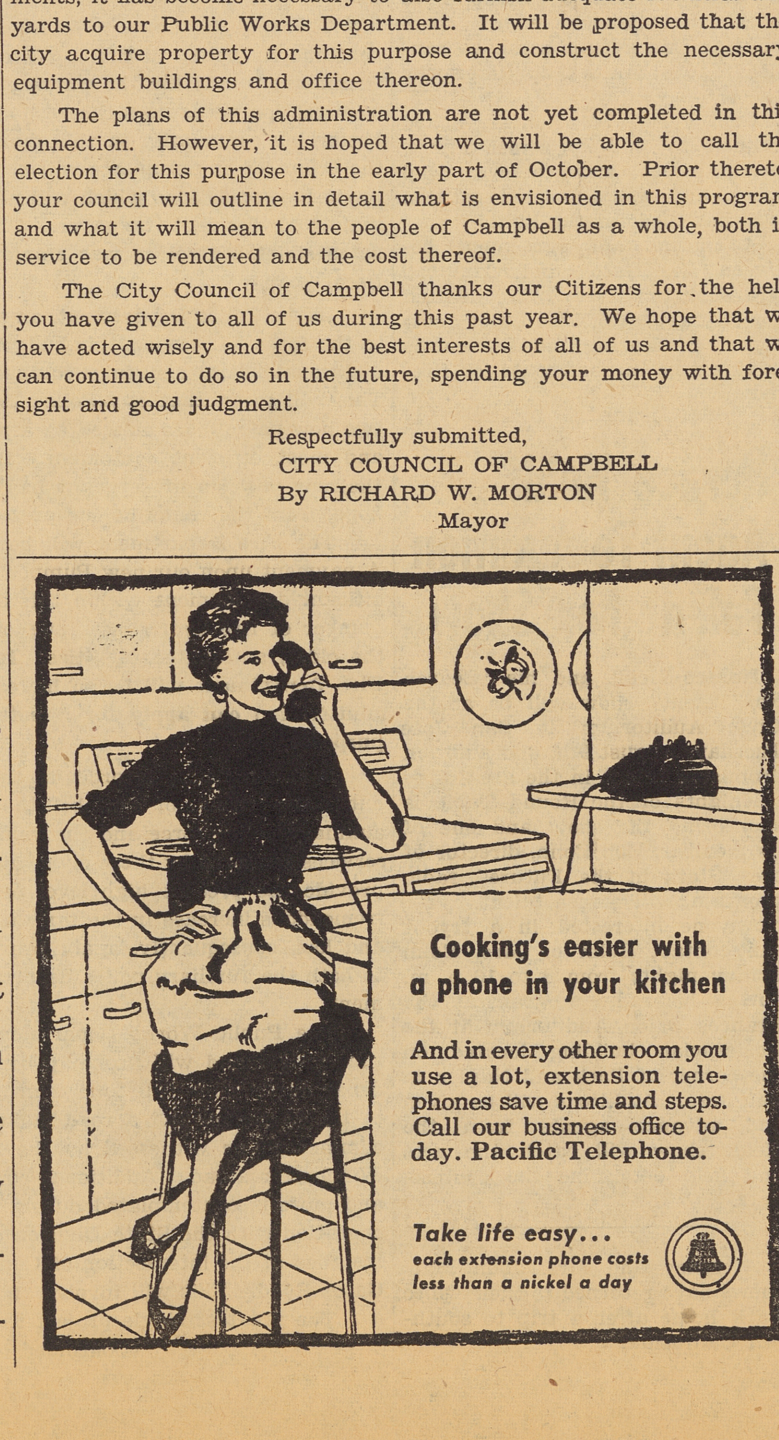
Because of the rapid growth of our city, it has become necessary to acquire and construct a new fire house on the west side. This will also be a portion of the proposal.

Because of the increase in our other public works and improvements, it has become necessary to also furnish adequate facilities and yards to our Public Works Department. It will be proposed that the city acquire property for this purpose and construct the necessary equipment buildings and office thereon.

The plans of this administration are not yet completed in this connection. However, it is hoped that we will be able to call the election for this purpose in the early part of October. Prior thereto, your council will outline in detail what is envisioned in this program and what it will mean to the people of Campbell as a whole, both in service to be rendered and the cost thereof.

The City Council of Campbell thanks our Citizens for the help you have given to all of us during this past year. We hope that we have acted wisely and for the best interests of all of us and that we can continue to do so in the future, spending your money with foresight and good judgment.

Respectfully submitted,
CITY COUNCIL OF CAMPBELL
By RICHARD W. MORTON
Mayor



Cooking's easier with a phone in your kitchen

And in every other room you use a lot, extension telephones save time and steps. Call our business office today. Pacific Telephone.

Take life easy...
each extension phone costs less than a nickel a day

The Campbell Gambol

POUNDING HAMMERS and the smell of fresh paint did not stop Laurance J. Hill, superintendent of the Campbell Union High School District, and his staff from moving their offices from the main high school building this week to the lower floor of newly remodeled quarters of the former Hedegard home ... in it are offices for Hill, for his secretary Miss Farley and for Miss Mergenthaler, who is head of the accountancy department ... Hill's office has been paneled with light colored mahogany wood by regular school employees, designed primarily for low cost upkeep, while in the adjoining accountancy room, machines tick away at the business of the largest high school district in Santa Clara County, the secretary's office being just off the right of the entrance hall ... room at the left that formerly served as Dave Rutherford's funeral chapel is now going to be used as a committee meeting room for various organizations ... upstairs will be leisure rooms for teachers where there will be a small kitchen for brewing a cup of coffee at lunch time.

NO MORE Driver Education cars from Bob Coyle for the high school, so the school district faces need for buying four cars in order to carry on the course, two cars for Camden and two for Campbell ... course was started seven years ago with one car and in 1952 another car was added, then last September a third car was added ... 560 students got 85 hours of class work and six hours behind the wheel during the 1954-55 term at Campbell High and on certification they qualified for a ten percent cut in insurance cost, or about $10 ... Campbell High busses make no charge for transporting students, while at San Jose a charge is made running annually to about $17.50 per pupil .. added cost of $7.50 per home to raise ceiling of high school tax will let school district get the extra driver cars and buses which will save insurance rates and transportation costs.

TIMOTHY BASKIN of Saratoga, a diamond cutter and importer has a pocket full of 'Atomic Diamonds,' which is a synthetic jewel that may replace the real diamond for those in the middle bracket ... more perfect than the real diamond, more brilliant, in blue-white radiance it is not quite so hard as the carbon diamond ... Baskin says it can be made for $7 to $8 per carat, in contrast to the $600 to $4,000 per carat cost for the real thing, so for say fifteen dollars a young man whose fancy runs to matrimoney can get a sparkling piece of jewelry that would cost him $1000 if he chose one of nature's products of the same size and brilliance ... Baskin just returned from France and Switzerland with the formula for making the "Atomic Gem" which he says is done by firing aluminum oxide and magnesium at a temperature about that which develops with the explosion of an atom bomb, says he bought the rights for producing the gem when he was in New York from a German refugee, Franz Prager and he has clippings from New York Times, Daily News, Business Week and other publications that the "gem" presents difficulties in exporting as customs house appraisers insist on taking the duty as genuine diamonds ... told Campbell Press he does not expect to go into it commercially as it would ruin his other business and the diamond market.

JOHN OLDHAM WINS ANOTHER FOR SEATTLE

Johnny Oldham of Campbell, won his eighth game for Seattle against four losses as the Raniers took a 4-3 game from Oakland Sunday afternoon going on to win the second game 3-2 to take first place in the Pacific Coast League. Oldham worked six of the nine innings and was given credit for the win.

Camp Fire Girls Visit Alum Rock

A group of local Camp Fire Girls, under the leadership of Mrs. Lester Jauncey, took a two mile nature hike through Alum Rock Park and were accompanied by a member of the Junior Museum who pointed out many interesting and educational features of this local woodland raea.

The girls who enjoyed this event were Virginia Anderson, Donna Cardona, Judy Kellar, Kathy McGraw, Marcia Manson, Maryln Maxwell, Dorothy Oneto, Shirley Shanks, and Kathy Story. Adults whe accompanied the girls, in addition to Mrs. Jauncey, were Dr. Jauncey, Mrs. Thomas Cardona and Mrs. Harold Shanks.

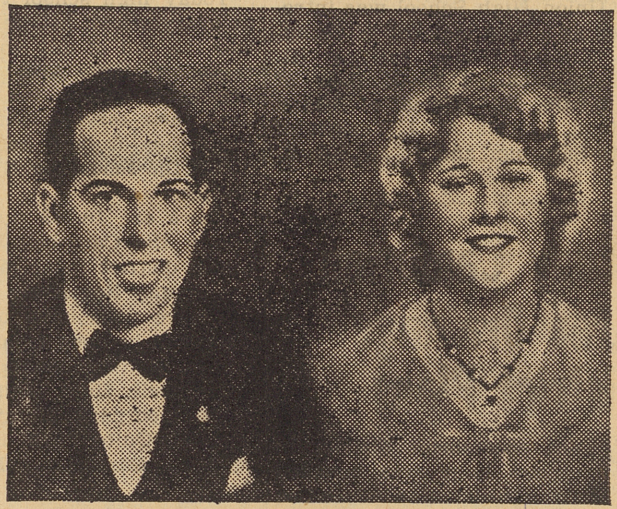
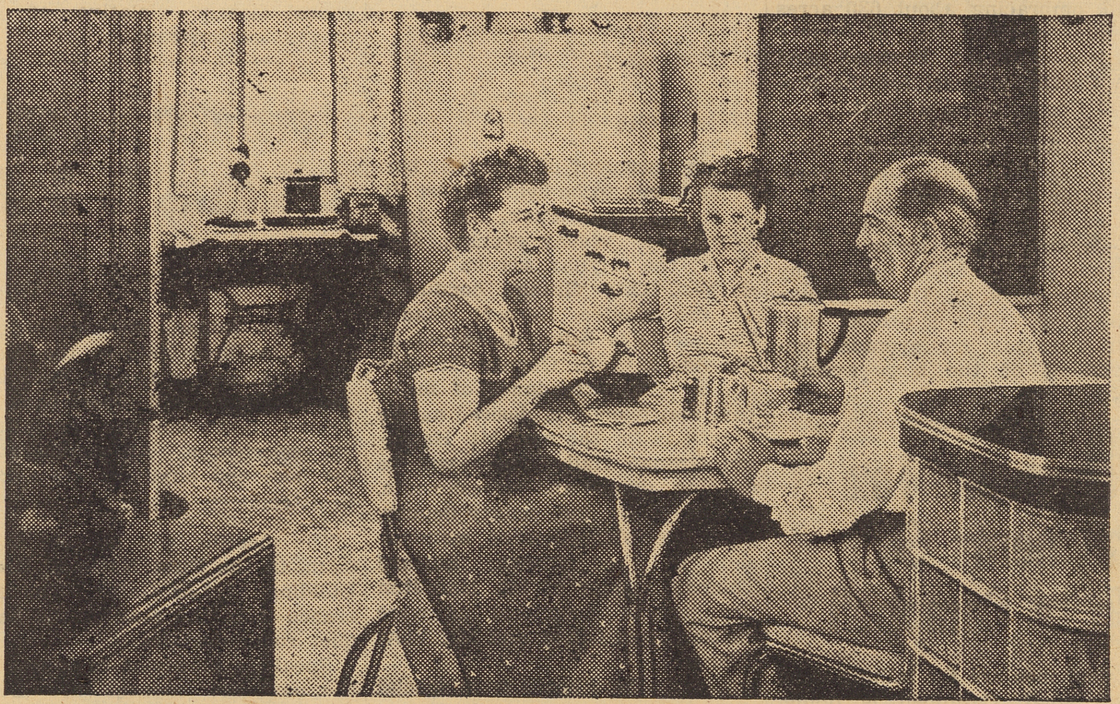
Meet the Wilsons who set up housekeeping in Napa in 1935

20 YEARS AGO—when Earle and Dorothy Wilson were married, they had just five appliances: range, water heater, waffle iron, toaster and iron.



TODAY—their original home, enlarged and modernized, has 27 more appliances, including a gas furnace, refrigerator, washer, dryer, television set, 5 radios, vacuum cleaner, garbage disposer, 2 electric razors, coffee-maker, sandwich grill, mixer, deep fat fryer, sewing machine, vibrator, sun lamp, 3 electric clocks and a well-equipped work shop.

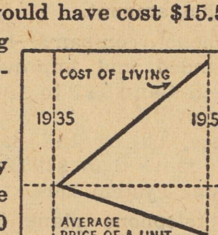


Today they buy $15 worth of gas and electricity for $10

...for the average unit cost is less than in '35

Most Californians—like the Wilsons—have added gas and electric servants over the years. The average California home uses three times as much gas and electricity as twenty years ago. Naturally, your total bill is higher, but the average price of a kilowatt hour of electricity and a cubic foot of gas is about one-third less than in 1935—thanks to mass production economies.

As a result, the Wilson's gas and electric bill in a recent month was $10.79. In 1935 the same amount would have cost $15.55. This same saving will most likely apply to your bill.



Can you think of any other prices that are lower today than 20 years ago? *No wonder we say...*

Gas and electricity are cheap in California

MONTALVO OPERETTA DRAWS CROWD TO OUTDOOR THEATRE

by Helen McLeod

From the first moment the stage lights went on at Villa Montalvo's outdoor theater Wednesday night, the huge audience was prepared to be charmed with this first West Coast presentation of Eusebia S. Hunkins' operetta "Smokey Mountain."

Set designer Earl Filben had most effectively "dressed down" the formal amphitheater setting, and made a most realistic Appalachian Mountain cabin setting by the addition of details such as a line full of disreputable clothing and rickety steps. A near by Grecian statue was concealed behind several large artificial sunflowers.

The orchestra, directed by Thomas Stevens, played theme music from several of the folk numbers sung later in the production, such as "On Top of Old Smokey", while the chorus approached through the darkness singing "The Shepherd's Song" and took their places on one side of the stage.

Not only were the songs typically Hill Billy, but the dialogue was in complete keeping with that area's natives. It was clever the way Aunt Sairy (Jeanne Tabscott) referred to the chorus of twenty-five as the no-good kinfolks of Grandpa (Ernest Tabscott), who were about to eat him out of house and home. In must such productions, there is seldom a logical reason for the presence of such a crowd on stage.

Tall, lanky grandson George (Kenneth Brown) was cloaked in just the proper amounts of civilization he would have picked up through his years of roaming among city folks. Accompanied by his guitar, he sang dreamy and nostalgic songs which typified the role he was playing—the lover returned to find his girl betrothed to another.

George Ballantyne, Jr. as Andy, the moonshiner, was amusing in appearance, dialogue and acting. While his songs were comical or quasi-pathetic, they still permitted his hearers to learn he had a clear voice of good range.

Ben (Donald Carpenter) seemed, indeed, with his thrilling, deep voice and fighting cock attitude, to be able to retain the affection of Jess against rival George.

Jess (Pat Armstrong) looked lovely and sang most effectively. Miss Margaret Mary O'Donnell, as Arabella, not only charmed the audience of seven hundred people but reaffirmed her many friends' belief in her singing and acting ability. Miss O'Donnell, El Quito Park teacher, has heretofore appeared only in skits before PTA audiences.

Bud Helms was caller for the several ably executed folk dances. Virginia Jennings staged the dance numbers presented by her lovely troop of girls. Stage director was Lillian Fontaine and her assistant Claire Loftus. Beth Pulley assisted Thomas Stevens as musical director, lighting was handled by George Fontaine, Jr.

BPWC Delegates Attend Regional Conference

Campbell delegates who attended the three day Western Regional Conference of the Business and Professional Womens' Clubs held last week in Reno, Nevada were Ellen Lanphear, Alma Fanning, and Gwen Steindorf. Their report on conference work shops and meetings will be given at the next meeting to be held Wednesday evening, July 27, at the home of Hannah Berglund on Carlyn Avenue.

The annual barbecue will precede the business session and all members who have not done so, are urged to phone in their reservations as soon as possible. Husbands are invited.

At last Wednesday's meeting revisions to be made in the budget concerning hospital and camp funds were discussed and referred to the executive board for further action, and Metta Bee reported on details of the annual rummage sale to be held August 11 and 12 at 124 N. Market Street, San Jose. Rummage depot is the garage at the home of Leah Johnson on Alice Way.

Church Calendars July Events

Next Sunday, July 24, services at the Congregational Church will be conducted by a group of young people who have volunteered their services during the summer months for Christian ministry in migrant workers' camps.

On July 31, Miss Margorie Martin, secretary of the Friendly Service of the Congregational Mission Council of Christian Churches, will deliver a message at the morning service.

Women of the combined guilds will hold a tea at the church on Wednesday, July 27, from 2 to 5 p. m. honoring Miss Martin and introducing her to members and friends. The public ic invited.

While Dr. and Mrs. Corwin Olds are on their vacation this week, Del Hollenberg, associate minister of the church, will be on hand to serve all pastoral calls.

The Tree Farm system originated in the State of Washington in 1941.

Henleys Return From Cleveland Meet, Kiwanis

The William Henleys returned last Thursday from their trip to the Kiwanis International Convention at Cleveland, Ohio, brimming with enthusiasm and praise for a well planned itinerary and happy that they had perfect weather during their entire month-long journey which took them through 21 states and one Canadian province. Mrs. Henley says it was an experience of a lifetime which she thoroughly enjoyed.

Their trip started from Oakland at noon Monday, June 20, where they boarded a special Southern Pacific train carrying only Kiwanis members to the convention. During the afternoon a tea honoring the wife of the Kiwanis Governor was held for all the ladies with Mrs. Henley and other wives of the Lieutenant Governors acting as hostesses.

Mrs. Henley says their train made a number of stops for side trips which included Bonniville Dam and Glacier National Park where they were greeted by Indians in full costume and escorted to wigwams to watch a ceremonial dance. Part of the Indian ceremony included "feathering" the Kiwanis Governor and naming him Chief Big Eagle.

Saturday their train crossed into Canada at Toronto where they visited Casa Loma Castle which now belongs to Kiwanis. Going on to Ontario they were taken on a conducted tour of Niagara Falls before proceeding to Cleveland and the convention.

On their return trip they stopped off in New Orleans where they dined at Antoine's and toured the city even taking a steamboat ride on the Mississippi River. At Dallas, Texas, they stopped to see their daughter, Janice Sharp, and were happy to learn she, her husband and eleven month old Cynthia, would return to California with them for a visit.

Mrs. Henley says they have had several letters from their globe-trotting son, Jerry, who is one of the Eagle Scouts making a tour of Europe this summer. Jerry says he was selected to go to England and Norway and so got to spend an extra day in Germany where their tour began. In England he stayed a week with a family who served him tea and crumpets in bed every morning and tells his parents he is looking forward to the same service when he returns home. From England he went on to Norway for two weeks and is scheduled to go to Stockholm, Sweden, for an additional two weeks. He says he is taking a lot of nice pictures and expects to be home about August 6.

CAMPBELL REGISTER

Bob Shockley spent the weekend with his parents, Mr. and Mrs. C. W. Shockley of 66 El Caminito. He has been a patient at Park's Air Force Base Hospital with rheumatic fever since finishing basic training the first week in June. His condition is much improved and he expects to be released for his next training soon.

Mr. and Mrs. Edward S. Carman and daughters, Patty and Diane, have just returned from a week's vacation with the Martin Farnhams in Talent, Oregon. Mr. and Mrs. Farnham, who were long time residents of Campbell, moved to Oregon a year ago.

Canada is where ETHAN LANPHEAR and son George of 2 Orchard Road are fishing and camping on a circuitous route through Oregon, Washington, Lake Louise, Banff and Yellowstone National Park.

Theodore Worley of San Jose has been appointed auditor of Campbell Union High School District by trustees.

Alice Lassen, who was graduated with the 1954 class from Campbell Union High School and attended San Jose State College last year, has enrolled at University of California in Davis where she is to major in home economice. Miss Lassen, who is the daughter of Mr. and Mrs. Andrew P. Lassen of Cambrian Park, was active in home economics at high school.

Mrs. Glen Robinson of 521 Apricot Way is flying to Jackson, Wyoming, this week to attend a big family reunion, the first in many years.

Gwen Steindorf, Ellen Lanphear and Alma Fanning have returned from Reno where they attended the Western Regional Conference of the Business and Professional Women's Clubs.

Betty Peterson To Be Hostess At Barbecue Sunday

Miss Betty Peterson, 65 North Milton, will entertain the Phi Mu Alumnae Club of Santa Clara County at a barbeche on Slnday, July 24 at 2 o'clock at her home.

Other county club members from this area who have been invited are Mrs. Donald Brundgardt, Mrs. Vincent Bruno, Mrs. William A. Brown, Mrs. William P. Christensen, Miss Lee Daun, Mrs. L. T. Fike, Mrs. R. M. Heintz, Mrs. Marion G. Herbert, Mrs. Harry Hicks, Mrs. William Hioteles, Mrs. Charles D. Hunter, Dr. Dorothey Kaucher, Mrs. A. B. Krikorian, Mrs. Clark Lawrence, Mrs. V. H. Matthews, Mrs. Josiah Morgan, Mrs. Henry C. Oliver, Mrs. Jack Richter, Mrs. Edward Thompson, Mrs. R. J. Will.

A report on plans for Phi Mu extension in the west and for expansion of activities in therapy for children will be given by Dr. Kaucher, who was delegate for the group at the recent district convention held in Portland. The Toy Cart for hospitalized crippled children is one of Phi Mu's many projects in local and national philanthropy.

Miss Helen Painter, president of the Palo Alto Phi Mu Alumnae Club, has announced that a group from there will also attend the Campbell barbecue.

CAMPBELL COOPERATIVE HEADED BY CILKER

William Cilker has been named president of the Campbell Cooperative Dryer with B. W. Steindorf vice-president; Robert Scholz as secretary-treasurer, Joseph Gomes and R. V. Garrod as directors.

R. W. Todd of Campbell has been appointed Agency Supervisor in the J. H. Rowe San Jose Agency, Bankers Life Company, Des Moines, Iowa, assuming his new duties July 1.

Margaret Leick, secretary of Sanitation District No. 4, has received word that her sister, Sister Pauline Mary, of the Holy Names College at Oakland, is the recipient of an exceptional honor. She has been granted a year's scholarship at the University in Louvain, Belgium, to continue her work toward a Ph. D. degree and will leave for Europe in September.

Budget Committee For Red Feather Starting Study

Red Feather budget conferences between representatives of Community Chest agencies and members of the budget committee of Community Welfare Council of Santa Clara County got under way this week, it was announced by Everett D. Myers, budget chairman for the Council.

Estimated 1956 budgets of all Red Feather youth, health and welfare agencies which draw support from the Chest will be reviewed. The conferences are expected to continue into August, Myers said.

The Council budget committee is divided into four section so that members can give more time to the study of individual Red Feather services. Vice-chairmen who head the sections are Cedric Fegtly, Dr. James C. DeVoss, Daniel O'Donnell and I. G. Ficarrota.

Campbell is represented on the Council's budget committee by Mrs. Howard C. Payne and Edward F. Tablak.

Total of requests from all Red Feather youth, health and welfare services is $482,645. Individual agency budgets will be reviewed line by line, Myers said.

Mrs. George Payne Is Welfare Head

Mrs. George H. Payne of Saratoga was elected chairman of the County Health and Welfare Committee Wednesday night.

The wife of the county civil defense director, she has served on the commission since it was organized in 1951.

She assumes the post held by Dr. Alison J. Cary of Gilroy for the past year.

Mrs. Payne was the founder and first chairman of the Saratoga branch of the Red Cross and served on the county juvenile committee for several years. She also served as president of the board of directors of the Woman's Relief Corps Home in the county.

FRIENDS OF HEALTH TO MEET JULY 30th

The newly organized Friends of Health Society is meeting Friday evening, July 30 at 1285 Lincoln Avenue, Willow Glen at which time interesting pictures on health are to be shown. The Society is concerned with diets and other benefiting features leading to good health. Elsie Erwin, CY 2-6883 is arranging the meeting.

The Presidio of San Francisco contains more than 1500 acres.

John Ezzie Fans 13 More Batters

John Ezzie hurled three hit ball Tuesday in a Little League twilight game scoring a 9-1 win for Western Gravel over Mac's Market at Little League Stadium. Ezzie fanned 13 and hit safely three times in four times at bat to continue his amazing pace. In the first half of the league schedule he got 12 hits in 23 times up for a .510 average but he struck out 58 batters in 23 innings.

Little Leagues To Have Elimination Games In Campbell

Championship teams of the various Little Leagues will open the play-off series Wednesday evening, July 27 in Campbell Little League Stadium with Campbell league and Santa Clara league winners followed Thursday July 28 by Lincoln Glen vs American Legion league winners, the winners of these two games meeting in an elimination game at one o'clock Saturday, July 30 here. In the next bracket Willow Glen draws a bye, Burbank league and Gilroy league winners play and the winner faces Willow Glen league winner in a playoff at 3 Saturday, July 30.

Winners of these two brackets qualify to play August 1 and 2 at Palo Alto, 3:30 and 5:30 the two winners of the north. Finalist then goes to Tulare, and if successful goes on to Santa Monica and finally to Williamsport, Pa., for the Little League World series.

The four highest peaks in the continental United States are Whitney, 14,495 feet in California; Elbert, 14,431 feet and Massive, 14,418 feet, in Colorado; and Rainier, 14,408 feet, in Washinton.

WILD GAME IN FARM LEAGUE ON SATURDAY

There was a triple-header played Saturday by Farm League teams, the first game being won by Avila's Market 20-7 over Campbell Kiwanis, the second being won 3-2 by Benson Cleaners over Kiwanis Realtors, and the third won 21-15 by Bishop Hawaiians over the Yankees, a total of 68 scored runs for the afternoon.

In the first game Sandy Koster, Bill Anger, Gene Almquist and Ronnie Speno accounted for 13 runs on their 8 hits. For Campbell Kiwanis, Doug Kelter and Jim Costello got two hits each.

In the second game, Benson Cleaners took over first place in the league standings. Pitcher Wade Allison of Bensons scored the winning run, and on the mound struck out 11. It was one of the better games of the season.

The third game, a wild one, saw five records set. There were 36 runs scored, 37 walks issued, 20 runs scored by one team and 11 walks issued in one inning by a team. Box score:

Two Farm League records were set in the Thursday game as Campbell Kiwanis won 12-2 over Bishop Hawaiians. Joe Alvarez struck out 15 for the Bishops, breaking the record of Bill Pond of Avila's Market who whiffed 14. Jerry Imamura pounded out two homers. Doug Kelter hit a double and single for Kiwanis.

On Friday the Kiwanis Realtors bowed to the Yankees on a 11-3 score. Ivan Millich hit a long homer into center field for the losers. Martin Castle and Larry Beeson were the umpires.

Santa Clara Cold Storage Co. is adding $40,000 storage facilities.

LEGAL NOTICE

CITY OF CAMPBELL, CALIFORNIA

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN THAT the City Council of the City of Campbell has set the hour of 8:00 P. M. on Monday, the 15th day of August, 1955, in the Country Woman's Club Auditorium, First and Campbell Avenue, Campbell, California, as the time and place for public hearing on the application of El Rio Development Company for:

An amendment to Section 19:84 of Ordinance No. 43 (The Zoning Ordinance) of the City of Campbell which said amendment consists of adding a new sectional district map, designated as No. 21, to the Zoning Map of the City of Campbell, said sectional district being all that territory annexed to the City of Campbell under proceedings known as Annexation 1955-3. Sectional District Map 21 consists of two Zoning Districts more particularly described as follows:

1. A C-1-S Zoning District on property owned by the El Rio Development Co., said property being described as follows: (Property description on file at the City Clerk's Office)

2. An R-1 Zoning District on all property in Sectional District No. 21, not described in paragraph numbered one (1) above.

INTERESTED PERSONS MAY APPEAR AND BE HEARD AT SAID HEARING.

Ronnie Willett led Mac's Market to its third victory in as many start for the second half Little League schedule last Thursday hitting two for three, as also did Ray Papa who scored his fourth win on the mound. Score was Mac's 7, Stamp Association 1.

Games Are Fast

Western Gravels take on the Campbell Lions in the Pony League at one o'clock this afternoon at the High school grounds while on Monday Campbell Rotarians and Lions tangle at one and Bishop Hawaiians and Western Gravel take the field at three. On Tuesday the Kiwanis and Campbell Lumber tee off, followed next day by Kiwanis and Western Gravel, and Hawaiians and Rotary in a double header.

Campbell Rotary Tops Pony League

Second-half play in the Campbell Recreation District Pony League resumed Monday afternoon at the high school diamond, with Campbell Lions and Campbell Lumber flexing their muscles as they scored first round wins.

The Lumbermen toppled Bishop's Hawaiians, 11-3, and the Lions knocked off the first half champions, Campbell Kiwanis, 8-7. In the other scheduled first-round game, Campbell Rotary edged Western Gravel, 11-10.

Lions' hurler Jeff Heinrich won his own game as he pounded out a bases-loaded single in the bottom half of the fifth inning; his second hit in three times at the plate. He struck out three, walked seven, and gave up seven hits. Doug Kersey, number one pitcher for the Kiwanis, lost his first game of the season as he experienced control trouble and was replaced by Corbus.

Campbell Lumber, although playing with only seven men due to many players on vacation, took advantage of weak pitching by the Hawaiians and scored eleven runs off a pair of hits. Ben Lujan hurled one-hit ball for the Lumber team as he struck out six and walked seven. Bob Whitewing started for Bishop's.

Scoring eight runs off six hits in the fourth inning, the Campbell Rotary club Tuesday pounded out a 11-10 win over Western Gravel and became the power to be reckoned with in the second half of play. Pitcher Bary Hilton was the winner over Western Gravel's Joe Blum as he struck out seven and gave up four hits. Blum struck out 10 and gave up seven hits, six of them in the last inning.

The Farrallone Islands are in two groups separated by 7-3/4 miles of open sea.

Double AA Market Awards TV Set

Winner of the drawing for the 21 inch Westinghouse TV set Double AA Market has had on display for its customers the past six weeks is Martha Cue McCune, ten year old daughter of Mr. and Mrs. Glen McCune of 287 Cambrian Drive. The drawing was made and posted Saturday night at the store and the winner had one week to identify herself and claim her prize. The McCunes discovered their good fortune Monday evening.

The Double AA Market did not permit children to deposit tickets for the drawing but Mrs. McCune herself had dropped in the name of her daughter because no member of her family has ever won a prize and she felt they probably never would.

Tuesday noon Mrs. McCune and daughter Martha picked up the set and took it home where it will be enjoyed by the whole family.

Private Fernando Perez, son of Mr. and Mrs. S. Perez of Campbell has recently been reassigned to the Company "A" of the 168th Engineer Battalion. He was recently assigned to an airborne unit in the 11th Airborne Division, at Fort Campbell, Kentucky. At the present time, he is being used as a Pioneer in the third platoon.

Prior to his entry into the service, he graduated from Westwood Junior High School, and attended one year at the Lassen Junior College.

Entering the service on August 24, 1954, he was immediately sent to Fort Riley, Kansas, where he undertook sixteen weeks of basic infantry training; being an airborne volunteer, he was then sent to Fort Campbell, Kentucky.

This group of Campbell area Blue Birds (Junior Camp Fire Girls) visited the farm in Felton of Mrs. Florence McCray who has been training dogs for blind people for the past four years. The girls, who are the Jolly Jills, made this trip with their leader, Mrs. L. C. Jauncey, President of the Executive Board of Santa Clara County Camp Fire Girls, Inc. Dr. Jauncey and Mrs. Harold Shanks also went on this excursion. From left to right are Cathy McGraw, Virginia Anderson and Judy Kellar, all of Moorpark School; Marsha Manson, Hamilton School; Dorothy Aneto, Shirley Shanks, Loui Ann Danner and Ingrid Anderson, all of Moorpark, and Isska Manson, of Hamilton.

Swim Club Sets New Records At Livermore Meet

At the three day Aqua Rodeo at Livermore last weekend, July 15, 16 and 17, the Campbell Swim Club took four 1st places, one 2nd, two 3rd, and one 6th place with Steve Skold setting two new P. A. A. records and breaking a national record.

In the novice events, 13 and 14 year old class, Bill Duncan placed 1st in the 50 meter backstroke with a time of 39.1; and Mike Scroggins placed 1st in the 50 meter freestyle.

Friday, in the 13 and 14 year class 100 meter backstroke, Steve Skold took 3rd.

Saturday in the 13 and 14 year 100 meter freestyle, Steve Skold placed 1st and set a new meet, PAA and national record with a time of 1:2.3. In the senior men's class, 200 meter backstroke, Jim Mitchell placed 6th.

Sunday in the 13 and 14 year 100 meter butterfly, an event Skold has never before entered, he broke the national record in the trials but lost the title to Brian Hogan in a dead heat in the finals on a judge's decision of 1:13.0

Mike Scroggins placed 6th in the same event.

In the 13 and 14 year 50 meter freestyle Skold broke and set another PAA record with a time of 28.1.

A team composed of Dave Andre, Bill Duncan, Mike Scroggins, and Steve Skold took 3rd in the 200 meter freestyle relay. The relay was the final event of the day and the boys were tired otherwise they would have undoubtedly equaled their record at the San Francisco meet when they placed first in the Junior Olympics.

The Campbell Swim Club is planning its own 50 event meet. Some of the leading swim stars of the coast are expected in Campbell for the two day National AAU meet August 6-7. This is to be one of a series of such AAU meets sanctioned by the Pacific Association of Amateur Athletic Union. Size of the Campbell High School pool, 60 x 75 feet lends itelf to a 20-yard course which is ideal for certain distance events which can not be put on at other pools.

Swim clubs from Santa Clara, Fresno, Berkeley, Palo Alto, Manteca and other points have sent notice of their intention to participate in the local meet. With this in view, parents of the young swimmers are making arrangements to take care of the visitors with refreshments and fathers will set up seats.

The Campbell Kiwanis Club is sponsoring the meet and has purchased team trophies, and two individual trophies. Awards will be made both days. Heats will be held in the morning at 9:30 and the finals at 2:30 p. m.

LEGAL NOTICE

RESOLUTION OF INTENTION TO SELL AN EASEMENT AND CERTAIN OTHER APPURTENANT RIGHTS OVER AND IN PROPERTY NOT NEEDED FOR SCHOOL PURPOSES, AND FIXING THE TIME AND PLACE AT WHICH BIDS WILL BE RECEIVED FOR SUCH SALE.

WHEREAS, the Cambrian School District of Santa Clara County, hereinafter called "District", is the owner of the following described parcel of real property situated in said District, to-wit:

A parcel of land situate in the County of Santa Clara, State of California, being more particularly described as follows:

Beginning at a point, said point being located as follows: Commencing at an iron pipe set at the intersection of the line between the lands of Dickman and Steindorf with the Northwesterly prolongation of the centerline of Custer Drive, said iron pipe being distant North 28° 27' 14" West 256.09 feet from the Northerly terminus of Custer Drive as shown on that map of Tract No. 1162, Dry Creek Heights Unit No. 1, recorded in Book 44 of Maps at pages 6 and 7, Santa Clara County Official Records; thence South 68° 37' 26" West along said line between the lands of Dickman and Steindorf 636.53 feet to the true point of beginning of this description; thence from said point of beginning North 68° 37' 26" East 57.07 feet; thence at right angles North 21° 22' 34" West to the beginning of a curve, a tangent to the curve at this point having a bearing of North 68° 37' 26" East; thence along said curve to the right with a radius of 20 feet through a central angle of 82° 34' an arc distance of 28.82 feet; thence tangent to the preceding curve North 28° 48' 34" West 122.93 feet to the beginning of a curve; thence along a curve to the right with a radius of 1500 feet through a central angle of 27° 16' 42" an arc distance of 714.14 feet to a point of compound curvature; thence along a curve to the right with a radius of 20 feet through a central angle of 72° 36' 38" an arc distance of 25.35 feet, a tangent to the curve at this point having a bearing of North 71° 04' 46" East; thence North 18° 55' 14" West 30.00 feet to the centerline of Harris Avenue as said Avenue is shown on a map of the Ware Tract, recorded in Book C of Maps at page 45, Official Records of Santa Clara County; thence along the centerline of Harris Avenue, South 71° 04' 46" West 52.10 feet to the Northwesterly corner of that parcel conveyed by Steindorf to the Cambrian Elementary School District, said corner also being the beginning of a curve, a tangent to the curve at this point having a bearing of North 00° 20' 21" West; thence along said curve to the left with a radius of 1545 feet through a central angle of 28° 28' 13" an arc distance of 767.71 feet; thence tangent to the preceding curve South 28° 48' 34" East 180.00 feet to the point of beginning and being a portion of Lot 2 of the hereinabove mentioned Ware Tract.

WHEREAS, this Board of Trustees has determined that the said parcel of real property is not needed for school classroom buildings, or for any other school purposes now or at all; and

WHEREAS, this Board has determined that it is in the best interests of the said District that the easement over and in the said parcel of real property be sold to the highest bidder therefor,

NOW, THEREFORE, IT IS HEREBY RESOLVED that the Board of Trustees of the District does hereby declare its intention to offer for sale and to sell easement over and in the above-described parcel of real property, subject to the terms and conditions as follows:

Said easement shall be for the right and privilege of excavating for and laying pipelines, together with all fittings, connections and appliances to be installed in connection therewith, and for the transmission and distribution of water and also for the right of maintaining, using and replacing and/or enlarging the same for such purposes, and also the right and privilege of re-laying, repairinng, removing and/or renewing the same using pipe fittings, connections and/or appliances either of the same size or sizes as may first be installed, or of any other size or sizes. Said easement shall also consist of a right-of-way along, upon, in, through and across the described property. Provided that this Grant of Easement shall not permit the purchaser thereof to construct or to permit to be constructed any building or any other structure on said described premises, and the purchaser shall make no excavation within, and shall plant no trees on, and shall not drill nor permit to be drilled any sort of well on the described premises.

Circle Theatre Names Cast For Play In August

Casting has been completed and rehearsals are underway for Actors Repertory Co. next show "Ladies in Retirement" opening Friday, August 5 at Summer Circle at Hotel Lyndon in Los Gatos.

Directed by Margaret Douglas Chamberlin, cast includes Muriel Rice of San Carlos, Gail Anderson, and Fred Engelberg of San Jose, Pat Beaudry of Saratoga with Bernice Carey and Mary Jepp of Los Gatos completing the cast.

July production of the comedy "JANE" continues every Friday and Saturday Night at 8:30 P. M. with four more performances before closing. Tickets remain for all performances and may be reserved in advance at Porch Window El Gato 4-2315 and Sarles Shop El Gato 4-4765 or in the Hotel Lobby before each performance.

LEGAL NOTICE

$10.00

AND BE IT FURTHER RESOLVED that this Board hereby fixes the 4th day of August, 1955, at the hour of 8 o'clock P. M. of said day, and the regular meeting place of this Board at Cambrian School, Campbell, County of Santa Clara, as the time and place at which sealed proposals for the purchase of the easement over and in the above-described parcel of real property will be received by this Board. And further provided that oral bids, if any, shall be submitted in accordance with Sections 18610 and 18611 of the Education Code of the State of California. This Board reserves the right to waive any and all defects in any and all bids, and further reserves the right to reject all bids.

This Board will not pay any broker's commission for the procuring of any proposal or proposals for the purchase of said easements to be sold in accordance with this Resolution.

AND BE IT FURTHER RESOLVED AND ORDERED that this Resolution and Notice shall be posted in three (3) public places in the Cambrian School District of Santa Clara County, as follows:

ONE at Cambrian School, 481 E. Casey Rd., Campbell, Calif.
ONE at Mac's Market, Union and Woodard Rds, Los Gatos, Calif.
ONE at Cambrian Hardware, S. J. L. G. Hwy., Campbell, Calif.

Said Notice is to be posted at least fiftten (15) days before the date set for the meeting at which sealed proposals are to be opened, and further, that this Notice shall be published once a week for three (3) successive weeks before the date of said meeting in a newspaper of general circulation in the District, to-wit: the Campbell Press.

PASSED AND ADOPTED by the Board of Trustees of the Cambrian School District of Santa Clara County, California, this 30th day of June, 1955, by the following vote:

AYES: Trustees, M. G. Estabrook, Jack M. Farnham, Garland Bachman, Norman B. Houge, William C. Sartorette.
NOES: Trustees, None
ABSENT: Trustees, None.

Adventist Head Sees Approach Of Judgment Day

Soquel, Calif., July 21—The annual Seventh-day Adventist camp meeting in its final stages here is expected to draw nearly 9,000 people to week-end services which will climax the 10-day event Saturday night.

Adventist members from 87 churches in 18 central California counties are attending the camp meeting. They are hearing top leaders of denomination from world headquarters in Washington, D. C., and western offices, deliver addresses on all phases of Christian living.

C. L. Bauer, of Los Angeles, president of the Adventist Pacific Union Conference, told delegates that "already the world may be living on borrowed time. Any illusions man may have about a "Golden Age of Peace' are doomed to be shattered." He also stated that "the accumulated sins of the human race have ripened into a harvest of fear which portends the end of the world."

Bauer, highest Adventist official on the West Coast, added that "the terrible fear which grips the minds of the world's political leaders and statesmen is part of the picture which Christ Himself drew in the New Testament Book of Luke, chapter 21, verses 25 to 27 to show conditions prior to His Second Coming."

This scriptural passage reads: "And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nation, with perplexity . . . . men's hearts failing them for fear, and for looking after those things which are coming on the earth . . . and then they see the Son of Man coming in a cloud with power and great glory."

The speaker said that "the return of Christ to the earth is imminent" and that "the responsibility of the Church today is to prepare men and women for that event and the attendant Judgement Day of God."

Highway Meeting At San Jose Aug. 9

Vital highway needs of the eight counties of the Central Coast and Bay region will be compiled in a series of meetings one of which on August 9 in the Civic Auditorium in San Jose representing Santa Clara, San Mateo, Santa Cruz and San Francisco Counties, according to Claude Faw of Carmel, chairman of the Central Coast Highway Committee.

Purpose is to coordinate local highway interests in support of recommendations for the 1956-57 highway budget during the hearing at Sacramento, August 18.

"The purpose of these meetings," Faw announced, "is to obtain 'grass roots' opinions as to projects desired by people living within these counties. In addition to compiling new highway recommendations on a priority basis, the local groups will have an opportunity to hear a progress report from the State Division of Highways as to the status of highway project recommendations made at the series of meetings held throughout the Central Coast region, last Spring."

Cupertino Vote On Incorporation Set For September 27

The election seeking incorporation of Cupertino has been set for September 27 by the County Board of Supervisors. Boundaries for the proposed city were approved by the board excluding 200 acres on the south and west owners of which had asked to be left out.

Population of the proposed city today is 1,713 and its area is about three square miles.

NEW WATCH REPAIR SHOP LOCATES HERE

The H&H Watch Repair is being opened for business August 1st at 211-B East Campbell Avenue by C. F. and Eva Hall, formerly of San Jose.

INK STAINS

By HELEN McLEOD

WHEN GEORGE BALLANTYNE, JR. appeared on the stage at Montalvo the other night in his role of Andy, the Moonshiner, in "Smokey Mountain", I had a horrible feeling that I'd seen his ragged outfit somewhere before. All but the whiskers—he could have been my husband about to spend a week fishing. The whiskers are there upon his return.

MANY LOCAL PEOPLE were in this folk opera, in addition to Ballantyne who lives in Campbell, Ken Brown, Spanish teacher at the High School, sang the lead, and a good job he did of it, too. In the orchestra, I spotted Paseo Olives resident CASWELL NEAL with his French horn, and there, too, was Vincent Carter, Moreland trustee, playing some sort of an instrument which I couldn't see. Among the square dancers were Moreland teacher, James Hall, and his wife, Alma, who was striking in her Spanish costume which emphasized her brunette beauty. In the audience, there were Robert S. Tack (principal at El Quito Park,) Werner Stern, of Bonn Candy Co., along with about seven hundred other people. When we started up the one-way, tortuous road leading to the Villa, we had to proceed at zero miles per hour, and found at our destination several patrolmen hard pressed to find parking space for all of us "vultures for culture." About one hundred cars were turned away, every seat in the amphitheater was filled and dozens of folding chairs brought out to accommodate the overflow.

TO JUDGE FROM THE LACK OF LOCAL ENROLLEES, not many area people know that their children may attend San Jose State demonstration school every summer. One must register about the first of the year, but it's for free and a wonderful experience for the children. Here we have one outstanding teacher for each small class of twenty or twenty-five children, and the teachers attending state go to these classes as observers, absorbing new teaching techniques. This year the classes are held at Horace Mann school, and a kindergarten student almost refused to attend because of this. My little boy was scheduled, and was quite pleased, until he learned the name of the school. He objected to attending classes that housed both horses and mans.

Dr. JOSEPH SIMONE, chiropractor of Saratoga, called me to announce the second successful birth of a parcel of kittens at his house. He reminded me of an article I put in Ink Stains, in another paper, about a year and a half ago, in which I informed the readers that the Doctor was no longer alone, but had the patter of tiny feet about the house, although still a bachelor. A female cat strayed to his door, etc.,—the end of the story being the usual one of two or three litters a year. Dr. Simone retained a kitten of the previous brood, which was still on hand during the birth of the six the other day, and mother cat remained on good terms with her older offspring. Not so with our cat, Little Lee. She proceeded to have another set when her survivor from the other litter was just a month old. From then on, daily we had a drama at our house entitled: My Enemy, my Mother. As often as the kitty approached the older cat, she would be scratched and hissed at. Kitty still loved Little Lee, and despite a thousand spits in the eye, continued to approach lovingly. I was told that one reason the mother cat died with her young ones still unborn, may have been psychological. Her time had come, and the bassinet arranged, but always her older offspring was around. Here we have the instincts of the jungle arising—the older ones must leave, no matter how young they seem to us humans, to make way for the new ones. I didn't know before that animals suffered sub-conscious fears and were conflict-ridden.

PG&E NAMES JIM McCOLLUM AD MANAGER

The appointment of A. James McCollum as manager of the department of advertising and publicity of Pacific Gas and Electric Company was announced today. McCollum, the company's news bureau chief since 1946, succeeds Robert R. Gros, who was promoted to a vice presidency of the company last week. The appointment, effective August 1, was announced by Norman R. Sutherland, P G and E president and general manager.

McCollum, of 1854 Thousand Oaks Boulevard, Berkeley, is a former newspaperman and editor who began his journalistic training as a boy on the Coalinga Record, of which his father is publisher.

He graduated in 1934 from the University of California with a degree in political science, also completing majors in English and journalism. A leader in student affairs, McCollum was editor of the Daily Californian, student newspaper, and was elected to Sigma Delta Chi and Pi Delta Epsilon, journalism honor societies. After graduation he taught journalism and English at the Fresno State College branch in Coalinga while continuing his newspaper career as a sportswriter and press service correspondent.

Joining the P G and E advertising and publicity staff in 1946, he soon became the department's news bureau chief, directing the servicing of press inquiries about the company's greatly expanded activities and construction program.

Touching Toes Won't Trim That Bay Window

Touching your toes to keep your waistline trim is a waste of time, says a professor of physical education on the Los Angeles campus of the University of California.

Dr. Laurance E. Morehouse, a onetime adviser on physical fitness to the Military Academy at West Point maintains that two 10 minute sessions a week of the proper exercise can keep the average adult in good physical condition.

However, he emphasizes that this does not mean 20 minutes a week of toe-touching, deep knee bends, arm waving, and other traditional setting up exercises.

Bending over and touching your cause such calisthenics stretch nature:
back muscles already stretched to flabbiness by constant sitting down.

A home exercise program recommended by Dr. Morehouse would include activities of this toes, he points out, actually does more harm than good. That is be- for several minutes such as running in place. This will build up endurance.

1. Vigorous warmup exercise
2. Stretching exercise for neck and lower neck.
3. Abdominal toning exercise such as slow leg raising from a prone position.
4. Arm and shoulder exercise such as pushups from floor, wall, or table.

SHEET METAL PLANT FOR MT. VIEW SOON

A sheet metal products plant is expected to locate on a 15-acre tract in Mountain View it was announced by L. H. Price, head of the Price Building Specialties Company who said the project calls for 100,000 square feet. First unit, half this size will cost $500,000. It will employ 75 persons.

Pennsylvanians To Picnic July 30

Plans were being completed today for the annual picnic Saturday, July 30 of the Pennsylvania Society at the Sunnyvale City Park on Pastoria Street in Sunnyvale from noon until dark.

Officers are to be elected, games played and coffee served. President of the Society is Charles Brown of Los Gatos with Mrs. Ruth Higby of Campbell as secretary.

LEGAL NOTICE

RESOLUTION NO. 211

BEING A RESOLUTION AND NOTICE OF INTENTION TO ANNEX CERTAIN UNINHABITED TERRITORY CONTIGUOUS TO CITY OF CAMPBELL, DESIGNATED AS CAMPBELL ANNEXATION 1955-5 AND FIXING TIME AND PLACE OF HEARING PURSUANT TO PROVISIONS OF ANNEXATION OF UNINHABITED TERRITORY ACT OF 1939.

WHEREAS, the City Council of City of Campbell has heretofore on its own motion and does now on its own motion proposes to annex to City of Campbell that certain contiguous uninhabited territory to be hereinafter described, and

WHEREAS, the proposal for the annexation of said uninhibited territory to the City of Campbell has been submitted to the Boundary Commission of the County of Santa Clara, State of California, and that the boundaries thereof have been approved and certified to their correctness by said Boundary Commission, and

WHEREAS, the City Council finds and determines that the annexation of the said territory, to be hereinafter described, is required for the purpose of owning, constructing and protecting and maintaining certain trunk storm sewer lines within the area proposed to be annexed to said City of Campbell, which said sewer lines are to serve said City; and the City Council further finds and determines that it is for the best interest and general welfare of the people of City of Campbell, and reasonably necessary to annex said territory to protert the health, safety and general welfare of said people of Campbell, and

WHEREAS, the City Council finds that the area proposed to be annexed is in fact uninhabited territory as defined in the said Annexation of Uninhabited Act of 1939, and

WHEREAS, the City Council desires to designate said annexation as Campbell Annexation 1955-5 as the appropriate name by which said annexation shall hereafter be referred, and

WHEREAS, the City Council desires to annex the said territory to the City of Campbell, California, and

WHEREAS, there has been compliance with all other statutory requirements provided by the Annexation of Uninhabited Territory Act of 1939.

NOW, THEREFORE, BE IT RESOLVED by the City Council of City of Campbell on its own motion that it is its intention to annex to said City all of the real property, lands and territory hereinafter described and designated as Campbell Annexation 1955-5. That the boundaries of the area or territories proposed to be annexed is more particularly described as follows:

Beginning at northeasterly corner of Tract No. 1259, Shady Acres, Unit No. 4, as recorded in Book 51 of Maps, pages 36 and 37, Santa Clara County Records; thence southerly along easterly line of said Tract No. 1259, said line being also an easterly boundary line of City of Campbell, to a point that is distant 210 feet from the point of beginning, thence easterly along a line parallel with southerly line of Tract No. 515, Shady Acres, recorded in Book 34 of Maps, page 32, Santa Clara County Records, and the southerly line of Tract No. 772, Walnut Dell, recorded in Book 30 of Maps, page 1, Santa Clara County Records, and easterly prolongation thereof to intersection with easterly line of Parcel No 1, described in Decree of Distribution to Martha M. Casterson, recorded in Book 1552, Official Records, page 345, Santa Clara County Records; thence northerly along easterly line of said Parcel No. 1, to northeasterly corner thereof; thence easterly along southerly line of Parcel No. 3, described in said Decree of Distribution to Martha M. Casterson, and along southerly line of Parcel No. 1 described in Deed to S. G. Borello, recorded in Book 2679, Official Records, pages 484 and 485 Santa Clara County Records, to a point distant thereon 500feet westerly from westerly line of San Jose-Los Gatos Road; thence southeasterly in a direct line to most southerly corner of that certain 0.80 acre tract of land conveyed to Mervyn S. and A. Leone Keesling, recorded in Book 1537, Official Records, page 283, Santa Clara County Records, said point being also on southeasterly line of Southern Pacific Company right of way; thence northeasterly along southeasterly line of said 0.80 acre tract of land to its intersection with westerly line of said San Jose-Los Gatos Road; thence northerly along westerly line of said San Jose-Los Gatos Road to its intersection with southerly line of Tract No. 333, Dahl Manor, recorded in Book 11 of Maps, page 28, Santa Clara County Records; thence westerly along southerly line of said Tract No. 333 to its intersection with easterly line of said Tract No. 772; thence southerly along easterly line of said Tract No. 772 to southeasterly corner thereof; thence westerly along southerly line of said Tract No. 772 and southerly line of said Tract No. 515 to point of beginning.

And that the reasons for the said proposed annexation are as follows:

1. That the City of Campbell owns and/or proposes to construct certain trunk storm lines within the area proposed to be annexed; that the same are necessary to serve the said City and its inhabitants.
2. That the maintenance and protection of said storm sewer lines can be best accomplished and were efficiently carried out by the annexation of the area wherein said sewers lie.
3. That the said annexation is reasonably necessary for the preservation of the public health, safety and general welfare of the City of Campbell.

BE IT FURTHER RESOLVED, and NOTICE IS HEREBY GIVEN, that Monday the 29th day of August, 1955 at 8:00 P. M. o'clock of said day, at the Council Chambers of City of Campbell in the Country Woman's Club House, on the southwest corner of First Street and Campbell Avenue in City of Campbell, are hereby fixed as the time and place for the hearing of written protests and objections to the said proposed annexation which said protests shall state the names of all the owners of the property affected, and the description and area of the property in general terms.

BE IT FURTHER RESOLVED that a copy of this resolution and Notice be published once a week for two successive weeks in the Campbell Press, a newspaper of general circulation, published in said City, and once a week for two successive weeks, in the Los Gatos Times, a newspaper of general circulation, published in the County of Santa Clara, California, and that the City Clerk forthwith mail a written notice of the proposed annexation to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll available on the date the proceedings were initiated, at the address shown on said assessment roll or as known to said Clerk, and to any person who has filed his name and address of the lands in which he has any interest either legal or equitable with said clerk.

PASSED AND ADOPTED this 18th day of July, 1955, by the following vote:

AYES: Councilmen: Arends, Chargin, Daum, Rose, Morton
NOES: Councilmen: None
ABSENT: Councilmen: None

APPROVED
RICHARD W. MORTON
Mayor

REGISTER

Police Chief and Mrs. Robert Locke and their children, Linda, Louise, Susan, Roberta and Randy, have returned home from a week's vacation at Clear Lake. Chief Locke says the family spent the time boating, swimming and fishing, and just loafing. He also says fishing was good and he caught a number of black bass and catfish and brought some home to freeze.

City Clerk Dorothy Trevethan, husband Gill, son Eddie, and aunt Edith Barker, hied themselves to Reno over the weekend in the Trevethan's pretty new blue and cream-colored car. After a short time in Reno they drove to Lake Tahoe and spent the rest of the time before returning home late Sunday afternoon.

Attention! Dogs

Canines, bring your masters down to the city hall any time now so they can purchase a shiny new dog tag for you. The tags were due the first of July and you will be a very,very sad pooch indeed if the police should happen to see you wandering around town without this handsome piece of jewelry and have to take you to the pound. The tags are a big help, too, if you become lost for then the license number can be checked and you can be returned home safe and sound.
